You have the right to revoke this contract within one month without specifying any reasons.

You can use the attached model withdrawal form for this purpose, which is, however, not mandatory.

In order to safeguard the revocation period, it is sufficient that you send the notification about the exercise of the revocation right before the expiry of the revocation period.

Consequences of the revocation

If you revoke this contract, we shall repay all the payments, which we received from you, including the delivery costs (with the exception of additional costs, which arise from that fact that you selected a form of delivery other than the most reasonable standard delivery offered by us), immediately and at the latest within 14 days from the day on which we received the notification about the revocation of this contract from you. We use the same means of payment, which you had originally used during the original transaction, for this repayment unless expressly agreed otherwise with you; you will not be charged any fees owing to this repayment.

We can refuse the repayment for products that can be shipped via parcels, until these products are returned to us or until you have furnished proof that you have sent these products back to us, depending on whichever is earlier.

We collect the products that cannot be shipped via parcels.

You must return or transfer the products which can be shipped via parcels to us immediately and, in any case, at the latest within 14 days with effect from the day on which you inform us of the revocation of this contract. The deadline is maintained if you send the products which can be shipped via parcels before the expiry of the 14-day deadline.

You bear the actual costs for returning the products that can be shipped via parcels. We bear the costs for returning the products that cannot be shipped via parcels.

You must pay for any depreciation of the products only if this depreciation can be attributed to any handling with you that was not necessary for checking the condition, features and functionality of the products.

Criteria for exclusion or expiry

The revocation right is not available for contracts

- for delivery of products, which are not prefabricated and for whose manufacturing an individual selection or stipulation by the consumer is important or which are clearly tailored to the personal requirements of the consumer;
- for delivery of products, which can spoil quickly or whose use-by date would be exceeded quickly;
- for delivery of alcoholic drinks, whose price was agreed at the time of concluding the contract, which however can be delivered 30 days after the conclusion of the contract at the earliest and whose current value depends on the fluctuations in the market, on which the entrepreneur has no influence;
- for delivery of newspapers, periodicals or magazines with the exception of subscription contracts.

The revocation right expires prematurely in case of contracts

- for delivery of sealed products, which are not suitable for return for reasons of health protection or hygiene if their seal has been removed after the delivery;
- for delivery of products if they have been mixed inseparably with other goods after the delivery, owing to their condition;
- for delivery of sound or video recording or computer software in a sealed package if the seal has been removed after the delivery.
